RE: NOI# 19-149-TOA: Installation of all-way stop control at the intersection of 10th Street and South Carolina Avenue SE

At a properly noticed regular meeting of Advisory Neighborhood Commission 6B on June 11, 2019, with a quorum present the Commission voted 10-0-0 to send DDOT the following comments on NOI 19-149-TOA issued May 30, 2019.

The ANC supports installation of all-way stop control for the 10th Street & South Carolina Avenue SE intersection as proposed in the above referenced NOI. In addition, the ANC asks DDOT to assure that the minimum setbacks from the intersection for curbside parking are maintained to improve visibility.

Please contact Commissioner Kirsten Oldenburg, ANC 6B Transportation Committee Chair at 202-546-8542 or 6B04@anc.dc.gov if you have any questions about this matter or need further information.

Sincerely,

Chander Jayaraman  
Chair, ANC 6B
