RE: Traffic Congestion at the 3rd Street & Virginia Avenue SE Intersection

Dear Ms. Klein,

At a properly noticed regular meeting of Advisory Neighborhood Commission 6B on September 10, 2019, with a quorum present, the Commission voted 9-0-0 to send DDOT the following comments on a request submitted to DDOT by Mr. Robert Krughoff requesting that a right turn lane be installed for southbound traffic to aid vehicles turning right to access the freeway onramp.

The Commission supports the need for a study of this intersection but asks that DDOT take a more holistic, safety approach that considers all users of the intersection (pedestrians, bicyclists, etc.) not just southbound vehicle flow.

Please contact Commissioner Kirsten Oldenburg, ANC 6B Transportation Committee Chair at 202-546-8542 or 6B04@anc.dc.gov, if you have any questions about this support or need further information.

Sincerely,

Chander Jayaraman
Chair, ANC 6B
