RE: ANC6B Support for the Pennsylvania Avenue SE Corridor Study

At a properly noticed regular meeting of Advisory Neighborhood Commission 6B on September 8, 2020, with a quorum present, the Commission voted 8-0-1 to strongly support DDOT's preferred alternative (A) for the installation of protected bike infrastructure and priority bus lanes on Pennsylvania Ave SE from 2nd to Barney Circle.

Further, ANC 6B encourages DDOT to give preference to solutions that improve the "comfort level" of pedestrians and cyclists making local trips as they progress to the 30% design. ANC 6B also asks DDOT, prior to moving to an NOI stage, to assess impacts of vehicle traffic diversions onto neighborhood streets and share this analysis with residents.

Please contact Commissioner Kirsten Oldenburg, ANC 6B Transportation Committee Chair at 202-546-8542 or 6B04@anc.dc.gov, if you have any questions about this request or need further information.

Sincerely,
