RE: Reservation 13

Dear Deputy Mayor Falcicchio,

At a regularly scheduled properly noticed meeting on September 8, 2020, with a quorum present Advisory Neighborhood Commission (ANC) 6B voted 7-0-2 to write to you regarding the surplusing of property on Reservation 13.

We request that you host a properly noticed and accessible community meeting to gain community input on the proposal to surplus property on Reservation 13. The event held on September 2nd was not a community meeting. It was an event limited to individuals with computer access who received information about it from non-DMPED sources.

A properly noticed and accessible community meeting is one in which DMPED notifies neighbors via flyers and phone calls. That did not happen last time. It is also a meeting in which everyone is allowed to participate via phone and computers. That did not happen on September 2nd. Individuals who participated via phone were placed on mute and not allowed to fully participate in the event.

Lastly, we ask that you share the city's plan for Reservation 13 during the community meeting. We are making this ask because you have referred to these plans on LinkedIn but never shared them with the Hilleast community, a fact that greatly puzzles us.

Please contact Commissioner Denise Krepp, at 6B10@anc.dc.gov if you have any questions about this letter.

Thank you.

Sincerely,

Brian Ready
