Re: DDOT Study Conducted on the Intersection of 16<sup>th</sup> and Independence Ave SE

Dear Director Marootian,

At a regularly scheduled properly noticed meeting on March 10, 2020, with a quorum present Advisory Neighborhood Commission (ANC) 6B voted 7-0-3 to write to you the regarding the 2019 DDOT study conducted on the intersection of 16th and Independence Ave SE.

On February 5, 2020, DDOT representatives gave a presentation to the ANC6B Transportation Committee on a study conducted on the intersection of 16th and Independence Ave SE. DDOT officials did not share a paper copy of the study with meeting attendees.

During the meeting, several Hill East neighbors questioned the data shared by the DDOT representatives. Commissioner Krepp asked for a paper copy of the study at the meeting and via email the following day.

DDOT officials refused to provide Commissioner Krepp with a copy of the study and directed her to FOIA the document. Commissioner Krepp submitted a FOIA and on February 27, 2020 DDOT declined to provide Commissioner Krepp with a copy of the aforementioned document.

ANC6B is puzzled by DDOT's refusal to provide Commissioner Krepp with the study and we therefore ask as the members of ANC6B for a copy of the document.

Please contact Commissioner Denise Krepp, at [6B10@anc.dc.gov](mailto:6B10@anc.dc.gov) if you have any questions about this letter.

Sincerely,

Brian Ready  
Chair, ANC 6B
