

The DC Department of Aging and Community Living,  
in partnership with the DC Public Library presents

# *Cupid's Kids: Community Edition*

January 4 – February 5, 2021

# THE TOOLKIT

## WHAT IS CUPID'S KIDS?

Cupid's Kids was created to help build intergenerational connections and reach isolated seniors. For the past few years, the DC Department of Aging and Community Living has teamed up with DC Public Schools and DC Public Charter Schools to create thousands of Valentine's Day cards for our city's oldest residents.

This year, we're inviting the entire community to help us spread some love and cheer by creating handmade Valentine's Day cards. No matter if you're 3 or 63, everyone can help us make this Valentine's Day extra special for our seniors.

Between now and February 5, 2021 you can drop off your card at select DCPL locations (see page 3) or mail it to us at 500 K Street NE, Washington, DC 20002.

Cards received will be delivered to seniors who receive home delivered meals.

# HOW CAN I GET INVOLVED?

It's easy to get involved! Here are three ways:

1. Make your own Valentine's Day Cards. Use this toolkit as your guide to make your card extra special!
2. Follow the DCPL Valentine's Card video tutorial:  
<https://www.youtube.com/watch?v=l5tdmieW4Xo&feature=youtu.be>
3. Call a senior on Valentine's Day! [Sign up to join our volunteer program.](#)

Or, do all **THREE!**

# HOW DO I MAKE A CARD?

## Instructions for Kids:

1. Create a card with construction paper or card stock.
2. Decorate with Valentine's Day theme in mind.
3. Share fun facts about yourself inside of the card (e.g., favorite hobbies, pets, school, etc.). **Make sure your letters are large, in dark ink and neat.** You can also write a simple poem and greeting inside the card.
  - If you need help, you can use the sample messages (Page 5) to make your card.
  - If you need ideas on what to include on the card you can print the cutouts and paste on the card. **Don't forget to color it!**
4. "Sign" the card with your first name and age.

## Instructions for Teens and Adults:

1. Create a card with construction paper or card stock.
2. Decorate with Valentine's Day theme in mind.
3. Inside the card share fun facts about yourself. You can also write a simple poem and greeting inside the card. **Make sure your letters are large, in dark ink and neat.**

**Helpful Hint:** Do not write expressions like “Get Well” or “I’m sorry you are alone”. **Please write positive messages.** Seniors that are homebound are not ill or isolated in all cases. We want to simply send a cheerful note to brighten their day!

**Important:** Please do not include your address or personal identifying information on the cards. Please do not send any money or checks with your card.

Once your card is complete you may drop off your card at your local Public Library.

**Last day for card drop off is Friday, February 5.**
