RE: HPA 21-177: 631 G Street SE; Construct second-story addition to existing garage

Dear Chairperson Heath:

At a regularly scheduled, properly noticed, meeting on February 9, 2021 with a quorum present, Advisory Neighborhood Commission (ANC) 6B voted 10-0-0 to support the applicant's above-referenced request.

ANC 6B applauds the applicant for a design that is sensitive to and consistent with it's surrounding context by referencing the rooflines and material design of the buildings on Ellen Wilson PI SE. ANC 6B has not seen a sightline study from Ellen Wilson PI SE but would find, even if visible from the public right of way, that the addition is consistent with the purpose and intent of the historic preservation law and regulation and past approvals of staff level and board review of similar projects in the Capitol Hill Historic District.

Please contact Commissioner Corey Holman, ANC 6B's Planning and Zoning (P&Z) Committee Chair, at 301-664-4132 or 6b06@anc.dc.gov if you have questions or need further information.

Sincerely,

Brian Ready  
Chair, ANC 6B
