## Minutes

### ANC6B Commission Meeting

December 13, 2022

#### 1. Welcome and Overview of Agenda

Chairman Holmen convened the meeting with a quorum present at 7:07. Noting that this would be the last 6B02 meeting for many Commissioners, Holman said the agenda would be a bit different in that departing Commissioners would be offered an opportunity to comment on their time on ANC6B at the outset of the program.

#### 2. Commissioner Comments

Eight Commissioners were present at the outset of the meeting: Samolyk (6B01); Sroufe, Secretary, (6B020; Ready (6B03); Holtzman (6B05); Holman, Chair (6B06); Ryder, Treasurer (6B07); Krepp, 6B10). Additionally, several incoming Commissioners were present in advance of their official assumption of responsibilities in January.

Departing Commissioners expressed their appreciation for the support of residents within their SMDs and for the collaborations with other Commissioners. Those leaving the ANC have served from as long as 15 years to as short a time as two years.

#### 3. Distinguished Public Service Award

The 2022 award was presented to Naomi Mitchell, community liaison director for Councilman Allen. She has been in this position for 18 years. A Ward 6 neighbor, Mitchell promised to continue attending ANC meetings as she has over the years. Mitchell valued the role of ANC6B in seeking to resolve problems and expressed appreciation for Commissioners' contributions to a team approach to problem solving for the community.

#### 4. Approval of the Agenda

A motion to approve the meeting agenda was approved unanimously (Oldenburg/Holtzman).

#### 5. Consent Agenda Approved

A motion to approve the Consent Agenda was approved unanimously (Holtzman/Ryder). Included on the consent agenda: the November Minutes and several correspondence items from the standing committees.

#### 6. Two Presentations

(1) The Southwest/Southeast Freeway Rehabilitation project was presented by several DDOT staff. Hung Truong, Laura Connely, A.S. Mohamed, and Charles McBloom collaborated to provide an overview of the rehabilitation of the bridges at key intersections between 2<sup>nd</sup> street

SE to Half Street SW. Slides showed the serious damage and rust issued to be addressed, but Commissioners were assured that the 1963 built bridge was sound structurally. Additional Improvements will include improved lighting, new striping, and a new deck overlay.

Commissioners' questioned the use of parks for construction staging; rumors that the bridge would be torn down for future development; and supply chain issues that have bedeviled DDOT projects over the past two years.

No decision was sought from the ANC at this meeting. However, the DDOT group did request assistance in calling attention to a community meeting being planned for March, at which time the design should have reached 30% completion.

Information about the project is supposed to be available at [seswbridges.ddot.dc.gov](http://seswbridges.ddot.dc.gov); however, on 1/123 the site was not available.

## (2) R13 Community Partners Phase II/Bundle II

Frontier Development representatives included Evan Charles, Yvette Alexander, Sharon Bradley, and Tom Dallas; no design specialists were present. They provided an overview of the project, emphasizing that they would be seeking community and ANC input as they moved from concept to final design. The presentation featured numerous "Hallmark moments": materials state that the project hopes to provide a "healthy, active, living for a wide variety of ages and circumstances in a park-like environment." Commissioners called attention to a number of potential issues: the difficulty of providing coordination across three ANCs and neighborhoods. Presentation slides were sent to Commissioners in advance of the meeting and are available at the Website (search for: R13 Community Partner.)

No decision was sought from the ANC at this meeting, but there will be interest in the "co-living" concept; 60 plus retail spaces; and opportunities for home ownership among the 1000 apartments planned.

### *Standing Committee Reports and Actions*

#### 7. Alcoholic Beverage Control Committee (ABC)

The Committee discussed and acted on several late-breaking applications.

- (a) Roses At Home, already in possession of a license, requested a stipulated license for providing internet sales with the same or fewer hours as the restaurant. Owner Aaron Silverman presented his case for the request. Following discussion, a motion to support the request was passed unanimously (Ready/Sroufe). Because of the ABRA schedule it was requested that the ANC letter of support be sent to the agency promptly.
- (b) The Italian Job/Pacci's Trattoria (106 13<sup>th</sup> SE) is seeking a stipulated license for a Class C restaurant because it has not yet been plaqued (a word?). Owner Spiro Gioldesis and a neighbor, Natalie Moffet participated in the discussion. A motion to approve the request, including weekday hours of 11 to 11, passed unanimously (Ready/Holtzman).

## 8. Planning and Zoning Committee

The Committee discussed and acted on several applications.

- (a) Builder Chris Lyon provided an overview of the concept review for a 3<sup>rd</sup> story edition at 231 12<sup>th</sup> SE. Commissioners raised several questions: need for a proposed curb cut; mass and visibility of proposed mansard roof; size of basement window wells on front of the house; appropriateness of door selected for front of the house. A neighbor requested a shadow study and raised concerns about rodents and noise associated with gutting of the structure. A motion to support the application if several conditions were met was approved unanimously (Oldenburg/Ryder; Seven voting at this point as Commissioner Samolyk was ill ). The conditions to be listed in the letter included: solutions to minimize visibility from the street; a plan serving to modify the door on the south side. The letter is to state the ANC's opposition to the proposed curb cut.
- (b) A 647 G Street application calls for development of 5 residential units. Commissioners were concerned about absence of neighbor communication and about restricted access to be available for some units. A motion to deny the application unless changes were made was passed 6-0-1 (Holman/Ready). The letter will indicate that if the specific changes are made to the entry way that the ANC would approve the application.

## 9. Transportation Committee

Commissioner Oldenburg reminded Commissioners that she had been keeping a log of requests made to DDOT and their responses. This will be appreciated by the new Commissioners and new TC chair and resident members.

### *Task Force Reports and Actions*

## 10. Livable Community Task Force

Commissioner Holtzman reported that the punch list of items to be completed in the Eastern Market Metro Area had been completed -- for the most part. He will share a list of items to be completed by DGS with incoming Commissioners for their action.

## 11. Eastern Market Community Advisory Committee (EMCAC)

Commissioner Sroufe reported that EMCAC was seeking ways to add community members to the advisory body. This has been difficult because the founding charter identifies the specific groups that can be represented. He mentioned that the market would be celebrating a 150 year anniversary in 2023 and that a new EMCAC member, Brian Pate (formerly a Commissioner in 6B) is heading up the anniversary project.

## 12. Financial Report

Commissioner Ryder provided the Treasurer's report showing a balance on hand of \$48 K. He noted also that we had earned \$1.99 in interest over the recent quarter.

## 13 ANC6B Administrative Matters

(a)The calendar for 2023 was presented and approved unanimously (Holman, Ready). The calendar had been circulated in advance of the meeting by the Executive Director and is to be recirculated after suggested edits have been made.

(b) Chair Holman summarized a chart depicting the changes proposed for the ANC6B Bylaws. Following review, a motion to adopt the revised Bylaws was passed unanimously (Holman,/Sroufe) The chart displaying changes adopted is available on the ANC Website.

#### 14. Adjournment.

Chair Holman expressed his appreciation for the dedicated work of the Commissioners during the past year and reminded Commissioners of the final 2022 Executive Committee meeting to be held on December 20. Commissioner Oldenburg – with unanimous consent -- adjourned the Commission for the year, noting that the first meeting of 6B02 in the new year with many new Commissioners is scheduled for January 10.

**ADVISORY NEIGHBORHOOD COMMISSION 6B  
ALCOHOL BEVERAGE CONTROL COMMITTEE MEETING**

**WebEx Meeting  
January 5, 2023, 7:00 p.m.**

**REPORT**

**I. Introductions**

Attendance: Commissioners Jayaraman (Chair / 6B06), Jerry Sroufe (6B02), David Sobelsohn (6B03), Kasie Durkit (6B05), and Edward Ryder (6B09);

Resident Members: Katherine Szafran; George Holman; Ellen Opper-Weiner;

**II. Old Business**

1. ABRA-123471: RRG Catering, LLC, Rose's at Home, 721 8th St. SE; New Class "B" Internet Retailer selling beer and wine online only for off-premises consumption; Applicant: Don and Aaron Silverman, [djsilverman4@gmail.com](mailto:djsilverman4@gmail.com), [aaron@rosesrestaurantgroup.com](http://aaron@rosesrestaurantgroup.com); Protest Deadline: 01/30/23 [6B03]

The Chair presented the case and shared background information including that:

- ANC 6B approved a stipulated license for the Applicant at the December meeting;
- The ABC Committee was now considering the officially placarded application for RRG Catering.

Committee discussion covered the following points:

- The application was a formal license to offer internet sales to complement their successful catering business.
- To a question about the basis of support for the stipulated license, Chair explained that the application was an effort by the Applicant to complement their food offerings with paired beers, wines, or other beverages.
- Applicant and ANC 6B have a Board approved Settlement Agreement (SA) in place;
- The owners / operators are well-respected operators of other restaurants in the Barracks Row area of ANC 6B;

MOTION: Recommend that the ANC support this application making not changes to the existing SA and place it on the Consent Agenda (Sobelsohn / Opper-Weiner 2<sup>nd</sup>) Motion Passed 8-0-0.

2. [LATE BREAKING] ABRA-120833: Ginza BBQ Lounge, LLC, t/a Ginza BBQ Lounge and Karaoke Spot, 526 8th Street SE; Renewal of Retailer's Class "CT" Tavern License; Applicant: Risaa Hirao, [rhirao@pascalweiss.com](mailto:rhirao@pascalweiss.com); Petition Deadline 01/17/23 [6B04]

The Chair presented the case and shared background information including that:

- The Tavern License for this Establishment was approved by ANC 6B at the June 2022 meeting.

- The Applicant is stated that ABRA misplaced their renewal paperwork and were recently notified by ABRA that the Applicant needed to go through the renewal process as all other Tavern license holders.
- The Applicant did not start operating until November and have only been able to open the private Karaoke rooms on the 2<sup>nd</sup> floor. Applicant stated that because of the holidays, business has been “Ok” but are hoping for more business in the Spring

MOTION: Recommend that the ANC support the renewal application, make not changes to the existing SA, and place it on the Consent Agenda (Jayaraman / Sroufe 2<sup>nd</sup>) Motion Passed 8-0-0.

### III. New Business

1. ABRA-123546: The Italian Job LLC d/b/a Pacci’s Trattoria, 106 13th Street, SE: Request for a New Class “CR” Restaurant License with a total capacity of 85 people. Hours of Operation, Sales, Service and Consumption Sun.-Thurs. 11 AM—11 PM; Fri. & Sat. 11 AM – 12 AM Midnight; Same for sidewalk café. Applicant: Spiro Gioldasis, sgioldasis@yahoo.com; Representative: Jeff Jackson, jeffjackson02@verizon.net [6B06]

The Chair presented the case and shared background information including that

- At the December meeting, ANC 6B approved a Stipulated License for the Applicant and we are now considering the officially placarded application for The Italian Job LLC.
- Applicant shared his vision for the restaurant, the efforts that he has undertaken over the past 4 years to get open and the remaining approvals that he needs to receive to open
- The Applicant has reviewed and signed a revised SA which was modified to reflect the actual hours stated on the placards as well a the occupancy. This SA is similar to and consistent with other SAs in ANC 6B and includes a provision for the use of an interior trash storage room which the Applicant constructed as part of the renovation.

MOTION: Recommend that the ANC support the new application and having received a signed SA, place it on the Consent Agenda (Jayaraman / Sobelsohn 2<sup>nd</sup>) Motion Passed 8-0-0.

2. ABRA-118108: Harvest Tide Capitol Hill DC LLC, Harvest Tide Steak House, 212 7th Street SE; Retailer’s Class “C” Restaurant; Request to add an Entertainment Endorsement; Applicant: Jeff Jackson, jjharlem112@gmail.com; Protest Deadline: 01/30/23 [6B02]

The Chair presented the case and recognized the SMD Commissioner for additional information:

- This is a considered a Substantial Change application to add an Entertainment Endorsement to their existing license.
- Harvest Tide signed a Settlement Agreement (SA) with ANC 6B on June 6, 2021 which was approved by the ABC Board on June 23, 2021.
- The Applicant nor their representative attended the Committee meeting
- Resident member wanted to ensure that surrounding neighbors were notified of the request for an endorsement and were able to speak on the request. The SMD Commissioner stated that notice had been provided and that he had not received any comments or concerns regarding the endorsement
- Committee discussed the existing SA and the Applicants compliance with it, particularly in terms of trash management. SMD Commissioner stated that he was satisfied with the progress being made to address issues that have arisen to date. Chair noted that the SA calls for indoor trash storage but that the Applicant has a line of trash cans in the rear yard.
- Committee discussed the entertainment endorsement and the SMD Commissioner wanted to modify the language in the existing SA to state that the entertainment was limited to non-

amplified music and entertainment. Committee members were supportive adding language to the SA.

- Committee discussed how to handle the case since the Applicant was not present. Chair shared the process that ANC 6B has used in such situations (take No Position). Commissioner wanted to oppose the application rather than take no position and made the following motion: Oppose the application for an Entertainment Endorsement ( Sobelsohn / Oppen-Weiner 2nd). After further discussion the Motion was withdrawn.
- A new motion was made to take no position with the expectation that the Applicant will appear before the Commission to address questions.

MOTION: The Committee takes “No Position” on the application and refers the matter to the full ANC (Sobelsohn / Holman 2<sup>nd</sup>) Motion Passed 8-0-0

#### **IV. Discussion**

1. Monitoring compliance with Settlement Agreements and available options: Notice to Cure; Requesting an ABRA investigation; Show Cause Order from the ABC Board.

The Chair raised the topic of the role that ANC 6B’s ABC Committee could play in ensuring that Establishments are complying with their SA. He described the Notice to Cure provision which is included in many SAs, the ability of ANC Commissions to request that ABRA investigate potential violations and the most extreme option, which is to request a Show Cause hearing before the ABRA Board.

Commissioners and Resident members agreed that any such review should be methodical and cover all Establishments and not focus on select Establishments. The Committee agreed to discuss this further and move forward with creating a structure for such a review.

The Committee also had an open discussion about the proliferation of Initiative 71 (I-71) cannabis gifting stores across ANC 6B. A Commissioner shared that Barracks Row now has 4 such stores in addition to multiple stores on the 600 block of Pennsylvania Avenue SE. Committee members requested that the Chair work to secure a presenter from ABRA on the topic so that Commissioners and resident members can better understand the role of ABRA in regulating these stores.

The Chair also raised the topic of sports betting and the problems that Establishment have been experiencing with the District’s GambetDC. The Chair shared that Establishments are looking to other providers to enhance sports wagering at their Establishment.

**Report of the ANC6B Planning and Zoning Committee Meeting  
January 3, 2023**

**Commissioners Present: Sroufe, Sobelsohn, D’Andrea, Durkit, Jayaraman, Ryder, LaFortune**

**Resident Members Present: Smith, Jarboe, Danks (chair)**

The Committee heard a HPA and BZA case related to the same project and an informational presentation on a third. The HPA case resulted in a recommendation for the ANC’s consent calendar; the BZA case did not.

**HPA 23-101: 637 A Street SE;** New two-story carriage house to replace existing one-story garage, with second floor accessory apartment; Owner(s): Shihyan (Eric) Lee and Julie Gutin; Applicant: Jennifer Fowler, [jennifer@fowler-architects.com](mailto:jennifer@fowler-architects.com); Hearing Date: (unknown).

Committee members asked questions about the relative height of the project compared to adjacent properties, about the age of the garage, and the visibility of the HVAC unit on the roof. After a brief discussion Commissioner Sroufe moved (seconded by Commissioner D’Andrea) to support the application and place it on the ANC consent agenda. The motion was adopted by acclamation.

**BZA 20866: 637 A Street SE;** Special exception to construct a detached, two-story accessory garage with dwelling unit, and convert to a flat, an existing attached, two-story principal dwelling unit in the RF-1 zone (Square 870, Lot 117); Owner(s): Shihyan (Eric) Lee and Julie Gutin; Applicant: Jennifer Fowler, [jennifer@fowler-architects.com](mailto:jennifer@fowler-architects.com); Hearing Date: (unknown).

Applicant seeks three special exceptions for the proposed accessory structure: greater-than-450 sq. foot size (648 proposed), greater-than-60% lot occupancy (67% proposed), and use as an accessory dwelling within 5 years. Several neighbors or their representatives spoke in opposition to the project based on the loss of privacy, potential for increased traffic, increased demand for parking, and potential for other accessory dwelling units along Browns Court.

Commissioner Sroufe moved (seconded by Commissioner Sobelsohn) to oppose the requested special exception to lot occupancy requirements. After discussion, that motion failed 2-8. Commissioner D’Andrea then moved (seconded by Commissioner Ryder) to support the application as presented. That motion passed 8-2.

**Informational Presentation: 732 7<sup>th</sup> Street SE.** The committee heard an informational presentation about planned development of 732 7<sup>th</sup> Street SE, which is a non-contributing structure in the MU-4

zone. The developer, which is scheduled to speak with HPO staff about the project soon, presented plans for a 4-story building to be constructed on top of an in addition to the existing structure. Committee members provided feedback on the design and related issues (including the importance of providing for indoor trash service at that location).

**Report of the ANC6B Transportation Committee Meeting  
January 4, 2022**

**Commissioners Present: Matt LaFortune (chairing), Frank Avery, Jerry Sroufe, David Sobelsohn, Frank D'Andrea, Kasie Durkit, Edward Ryder**

**Resident Members Present: Brian Kirrane (6B03), Stefan Katz (6B07)**

**Committee Updates**

Commissioner LaFortune was appointed Chair Pro Tempore during the December ANC 6B Executive Committee meeting due to former Commissioner Oldenburg's retirement. He shared that the January committee meeting would focus on a priority setting discussion, with February's agenda including follow-ups on December meeting items (9<sup>th</sup> & I St. SE and 11<sup>th</sup> & D St. SE intersections), appointment of new Resident Members, and the election of a permanent committee Chair.

Barbara Flemming will send out an email to all Commissioners requesting names and bios for all new Resident Member nominations in February.

**DDOT's Traffic Safety "Input" (TSI 2.0) Process**

Commissioner LaFortune announced that, effective January 6, 2023, DDOT is launching TSI 2.0, the Traffic Safety Input Program as a program update to TSI 1.0 (Traffic Safety Investigation). This will include posting a list of first 200 priority locations selected from all open TSIs that were run through DDOT's prioritization model. The remaining TSIs not prioritized in the first round will be closed in the 311 system but remain available as 'input' in the DDOT TSI 2.0 system for future quarterly prioritization. TSI 2.0 will advance 800 locations every year. The Transportation Committee will develop a strategy for elevating major locations within ANC 6B that are not included in the prioritized list.

**2023 Transportation Priorities**

Commissioner Avery would like the committee to focus on opportunities to harden traffic safety infrastructure in school zones. ANC 6B resident Jeffrey Menzer suggested using recent legislation (i.e. the Safe Routes To School Act) to push for changes, particularly around 11<sup>th</sup> and 12<sup>th</sup> St. SE near Tyler Elementary. Resident Member Kirrane highlighted that DDOT is required to design a rubric to prioritize school zones for new safety measures, which would provide an opportunity for ANC input.

Commissioner Sobelsohn suggested that the committee look for opportunities to inform legislation and DDOT actions related to electric vehicle charging. Commissioner Durkit noted that DDOT's EV Curbside Charging Program mentions that this could be an issue for ANC

involvement. Resident Member Katz suggested that the committee provide energy and data to positively influence Councilmember Allen's bill on charging locations.

Resident Member Katz also recommended that the committee develop a strategy to follow up on TSI requests in response to changes in the process and to also work with groups such as Barracks Row Main Street to improve accessibility near sidewalk cafes.

Commissioner D'Andrea targeted the area of 11<sup>th</sup> St. SE south of I-695 (east of Navy Yard) for transportation improvements due to the planned Bridge Park and redevelopment of SE Boulevard. Commissioner Ryder suggested that the committee keep issues around 11<sup>th</sup> St. on the radar and to encourage DDOT to treat interconnected projects holistically (11<sup>th</sup> St./I-695 exit ramp, Bridge Park, SE Boulevard, Tyler Elementary).

Commissioner Sroufe noted the discussed changes to residential parking that will likely continue to be contemplated by the Council in its new session.

Commissioner Sobelsohn highlighted a lack of communication to neighbors during utility construction on residential streets, including a failure to flyer and provide required notice at times. Commissioner Sroufe noted that parking enforcement in areas marked for construction is often unclear and inconsistent, which is a concern for neighbors.
