A. Bricklane t/a Mekki—Mediterranean / Moroccan Restaurant. Doing Great so far

Trash Management. Applicant had pictures to show which ones were theirs (Trash Company=Good Friends). Chair asked representative from establishment to ensure that trash can are kept closed. Agreed to do that.

Request and agreement by the committee to amend SA to reflect a lower number of trash pick up days that meets the needs of the Establishment. Chair will draft the amendment.

Establishment and ANC 6B agree to amend the exist SA to address the trash pickup requirement.

Motion: Recommend to the ANC that the Commission approve the amendment to the existing SA on trash pickup. [Chander; Ready 2nd] Pass 6-0-0

B. Update on Protest Hearing on District Soul Food

Jim Loots Represented ANC 6B well. The ABRA inspector was questionable at best with lots of contradictory testimony and did not check whether there were noise issues on Friday or Saturday with his reason being "I don't work those nights." Completely unacceptable and the Board recognized it. The ANC had 4 witnesses to none for the Establishment and we have asked the ABRA Board to withdraw their entertainment endorsement or alternatively, ensure that the Establishment take measures in a finite amount of time to bring the Establishment into compliance with the SA.
