RE: Chris Laskowski

Dear Councilmember Allen,

At its regularly scheduled, properly noticed meeting on January 9, 2024, with a quorum of Commissioners present, Advisory Neighborhood Commission (ANC) 6B unanimously voted 9-0-0 to support sending this letter regarding the passing of Chris Laskowski.

ANC 6B wishes to share our sincerest condolences to your office and Chris' family during this difficult time.

Chris will be remembered as an invaluable resource to this Commission as Legislative Director and Director of the Committee on Transportation and the Environment over the past seven years.

In 2023, we engaged with Chris on topics ranging from traffic enforcement to electric vehicle infrastructure and neighbors' concerns over pedestrian safety and bike share parking.

Chris was always responsive to questions about the status of Council legislation or inclinations, providing as much information about ANC concerns as he could while avoiding the temptation to say more than he knew for certain. His patience in responding to Commissioners' often ill-formed questions was legendary.

Through his legislative work and community engagement, Chris demonstrated an unbreakable commitment to the city and ward that he called home.

Simply put, he made Ward 6 better. He will be greatly missed.

Respectfully,

Edward Ryder
Chair, ANC 6B
